Well, maybe you're thinkin' I'm outasight  
'cause I know you saw me kickin' at the gig last night  
maybe, baby, that's why they call  
twang bar king  
Rip bash smash, burn up a fret  
I can keep it in tune and nearly beat it to death  
yes, baby baby, that's why they call me

twang bar king  
Well I can bash smash beat rip tear out the guts  
burn it up and make it scream  
yeah, yeah, yeah  
Ooohhh, listen, baby  
I ain't braggin' but I'm the twang bar king  
twang bar  
king
