Parental blankets did me well  
Outside I could never tell  
Nothing could prepare me  
For what I found away from home  
So much beauty  
So much cruelty

No one said it would be easy  
No one said it would be so hard  
There was never a handshake a party or a card  
saying, welcome to the real world.

You want to lead a quiet life  
it wont let you breathe  
You want to lead a busy life  
It stops you in your tracks  
You want to lead your own life  
Be prepared to fight  
You want to lead a normal life  
But just what is that

No one said it would be easy  
No one said it would be so hard  
There was never a handshake a party or a card  
saying, welcome to the real world.

Welcome to the real world  
Welcomes reckless drivers  
Welcome to the real world  
Best kept global village  
Welcome to the real world  
Poulation 60bn  
Welcome to the real world  
Enjoy your stay
