Bop-Bop Bop-Bop Bop-Bop
Yeah Bop-Bop Bop-Bop Bop-Bop Yeah
You forgot when we were strange
Yeah somewhere we got caught
Now every little bird is tame
Their wings are clipped and gulled
Fear puts your heart on ice
For some other rainy day
You only know that your alive
When I melt the ice away
My life, my dreams my everything
Are all yourrrrrrs, baby
I'm willing to complete this act of faith 'cause living
only happens when you wait
If you go
If you stay
Sometimes better breaking, baby
In the sun
Before it's gone
If you love
If you feel
If you wonder how this heaven could be real
Then let it burn
Some might say ain't no sun without the rain, like I
know I knew ..
Yeah [breathy]
Some might say, nothing given, nothing gained
Yes that's true .. how about you baby
My life, my dreams my everything
Are all yourrrrrrs, baby
I'm willing to complete this act of faith 'cause living
only happens when you wait
Chorus intro
'Cause I'd like, like
To be somebody who
You take a chance on
I would take a chance on you
Everyday Like, like to be somebody who you take a
chance on
I would take a chance on you
Everyday I got myself a son
I take my love and run

I got you babe
Oh, yeah
'Cause I need somebody's love
And half is not enough
To make me stay
I've got you babe
Chorus
If you go, if you stay
