So soon we, so soon we, so soon we too old to carry,
And we knew we, and we knew we, and we knew we
only had a little while,
In the middle, in the middle, in the middle, just keep
ticking over,
Before you know it, before you know it, before you
know, they pair and
Pair,
And ooohhh! Oooohhh!

To have it all, to have it all, to have it all, and still want
more,
One things for sure, one things for sure, one things for
sure, we're all
Getting older,
So we take a lover, so we take a lover, so we take a
lover, waitin' in the
Corner,
And before you know it, before you know it, before you
know we're pushing
Up the daisies,
Oooohhh!

And we're going back to where we came from,
For those we fall and those to come and owe is the
effort,
And the more,
And again and again and again and again we go,
In the end, in the end, in the end, nothing comes easy,
So you find a way, so you find a way, so you find a way
to take a little
With you,
For the ones you love, for the ones you love, for the
ones you love, are
There if they need to,
The hero, the hero, the hero,
They're not coming with you,
Go back to where we came from,
For those we fall and those to come and owe is the
effort,
And the more,
And again and again and again and again,

Gooo! OOOhhh!

So soon we, so soon we, so soon we too old to carry,
And we knew we, and we knew we, and we knew we
only had a little while,
In the middle, in the middle, in the middle, just keep
ticking over,
Before you know it, before you know it, before you
know they pair and pair,
And go back to where we came from,
For those we fall and those to come and owe is the
effort,
And the more,
And again and again and again and again,
GGGOOOooo! Gooo!
