"The Real Thing"

I'm blowing back the kisses I blew to you before, blew
to you before.

And I'm tearing up the letters saying I adore, saying I
adore you.

And I will wait for the real thing
I will wait for the real thing.

So you, you could wear a dress out, chin will hit the
floor

Your chin will hit the floor.

And you could flutter those lashes I've been trying to
ignore,

Been trying to ignore you.

And I will wait for the real thing
I will wait for the real thing

You might as well quit if you haven't got it.
