Doh care if I wine on yuh
Ah wah yuh start winning back
When the music start to flow
Make sur your waist line in tack now
Doh care if I wine on yuh
Ah wah yuh start winning back
When the music start to flow
Make sur your waist line in tack now

We having a time this year
Every lime we there
Wome rain or shine we up in that now

Look real woman everywhere
It's a love affair
Man and woman does wine and end up on the ground

They call me mr fete since I born I never miss one yet
If sun shining I drippin swet
Thunder storm and am soakin wet
They say mr fete u mad
And I say mr fete u mad
I come here to get on bad

Fetin is we name we doh play
We goin night and day
No fete can tire we
We comin again everyday
We full of energy
Is fete they callin we like that is we name

Doh care if I wine on yuh
Ah wah yuh start winning back
When the music start to flow
Make sur your waist line in tack now
Doh care if I wine on yuh
Ah wah yuh start winning back
When the music start to flow
Make sur your waist line in tack now

So when they say shut it down

Give we one more song
We still goin strong and drinking away
Next day if we head still hurt
We still going to work
Then we linkin up and fetin again

They call me mr fete since I born I never miss one yet
If sun shining I drippin swet
Thunder storm and am soakin wet
They say mr fete u mad
And I say mr fete u mad
I come here to get on bad

Fetin is we name we doh play
We goin night and day
No fete can tire we
We comin again everyday
We full of energy
Is fete they callin we like that is we name

Doh care if I wine on yuh
Ah wah yuh start winning back
When the music start to flow
Make sur your waist line in tack now
Doh care if I wine on yuh
Ah wah yuh start winning back
When the music start to flow
Make sur your waist line in tack now

They call me mr fete
I never miss a fete
They call me mr fete
Because I never miss one yet
They call me mr fete
I never miss a fete
They call me mr fete

Fetin is we name we doh play
We goin night and day
No fete can tire we
We comin again everyday
We full of energy
Is fete they callin we like that is we name

Fetin is we name we doh play
We goin night and day
No fete can tire we
We comin again everyday
We full of energy
Is fete they callin we like that is we name

Doh care if I wine on yuh
Ah wah yuh start winning back
When the music start to flow
Make sur your waist line in tack now
Doh care if I wine on yuh
Ah wah yuh start winning back
When the music start to flow
Make sur your waist line in tack now

Doh care if I wine on yuh
Ah wah yuh start winning back
When the music start to flow
Make sur your waist line in tack now
Doh care if I wine on yuh
Ah wah yuh start winning back
When the music start to flow
Make sur your waist line in tack now
