Yo wats up yall this is doug e fresh  
I need every body to report to the dance floor  
Right now  
I'm here with my man MR. machel montano  
This goes out to all the street soldiers  
Every body here y'all  
Because it's about to go down

C'mon c'mon x6  
Let's go x4  
C'mon, c'mon

Keep moving  
Keep walking  
Don't you ever look down  
When you're on the right road don't turn around  
The road is long and rugged

Yeah, yeah

Keep climbing that mountain

We heading straight to the top  
Know that we're going right down to the very last drop

I know we're gonna make it  
Yeah yeah, yeah yeah  
Cause I heard the children say  
We not giving up x5

Keep shaking, Dancing, Wining & don't you stop  
Going forward, there is no turning back  
I know the road is long and rugged  
Yeahh yehhh x2

Stay faithful  
Hopeful  
And never lose sight of it  
Promise yourself you ain't never gonna quit  
I know we're gonna make it, yea

Because I heard the children say

We not giving up (no way) x7

Aye, aye, aye, yeah

It's about that time y'all

One, two, one, two three come on!

No way, no way x7

We not giving up x3

Cause in the night we pray

And in that day we play

And the angels guide our way

So we not giving up no matter what nobody say

We not giving up, no way

So we not giving up no matter what nobody say

Shake it x2

Uh uh, shake it x2

Shake it c'mon x4

Let's go, let's go

Let's go y'all stop playing

C'mon, keep it moving y'all x2

Let's go, let's go, let's go, keep it moving now, keep

keep, keep it moving now
