Aye you (whistle) come here yea yea you lewe go lewe go you... yea you breathe you got to breathe (X3) you....

ready to defend in the toughest times right down till the end standing by my side when i need a friend i depend on you you you and you and you and you

nothing could rise above my feelings for you i give you all my love and that times two the strength to go all day i get it from you you you and you and you and you

### chorus

you give me a reason to jump for joy (you) you give me a reason to live (yea you) you give me the vibe and keep me alive make everything right yea you yea you it's you got me feeling to jump around it's you make me feel to go on and on you're every season you are the reason yea you yea you yea you

when i'm down you pick me up like a newborn you replenish my cup you make me feel strong i could never get enough enough of you you and you and you and you and you you are a die hard you down wit de crew you always represent when i call on you no matter where I go I'm sure to see you you and you and you and you

### chorus

breathe you got to breathe (x3) you you and you and you and you breathe you got to breathe (x3) you you and you and you and you

bridge you know i love the things you do for me and every touch i get i go crazy for you..... i love the way you do everything you want me to everything you want i'll do for you and you and you

### chorus

yea you you you you yea you you and you and you and you you and you and you and you and you

you give me a reason to jump for joy (you) you give me a reason to live (yea you) you give me the vibe that keeps me alive make everything right yea you yea you it's you got me feeling to jump around it's you make me feel to go on and on you are my sweetness like a weakness yea you yea you yea you

you you you you you you you you you you you you you you you you
