Inhale, sour diesel white little kush, by the boat, inhale  
Sour diesel white little kush, by the boat, inhale  
Sour diesel white little kush, by the boat, inhale  
Sour diesel white little kush, by the boat, inhale  
Inhale, inhale, inhale, inhale, inhale, inhale  
Inhale, inhale, inhale, inhale, inhale, inhale, inhale  
Sour diesel white little kush, by the boat, let's go  
Yeah nigger, yeah nigger, I done re-upped  
Got a fresh boat load of that loud stuff, took a million  
bucks  
Got me high as fuck, made not paranoid  
I got my forty tucks, smokin' and tokin' the kushin'  
Looking for pussy that's gushin'  
Hitting the swishers with bitches  
Living, enjoyin' my riches  
Niggers can't get with this pimping,  
Straight born and raised out of Memphis  
Blunts in my mouth like a dentist  
Roll one and get one up in it  
Smoking on that medical, high up on a pedestal  
Blowing on that green herb, feeling so incredible  
Smoking get me high, but I be higher off them edibles  
Still riding dirty but I'm dodging all the federals

Sour diesel white little kush, by the boat, inhale  
Sour diesel white little kush, by the boat, inhale  
Sour diesel white little kush, by the boat, inhale  
Inhale, inhale, inhale, inhale, inhale, inhale  
Inhale, inhale, inhale, inhale, inhale, inhale, inhale  
Sour diesel white little kush, by the boat, let's go

Yeah bitch, yeah bi-atch, call me Steve O  
I'm a wild boy, fuck a eighth I need oz.  
28 grams of the loudest pack,  
Matter of fact make it a pound of that  
Get a couple keys with sour diesel and lemon g that's  
sour patch  
I ain't in a gang but my og's kush  
Blow that loud, and it makes me shush  
23 jays and a red bull, call me Michael Jordan it's that  
swoosh

It's that swoosh, it's that swoosh  
Yo shit's ass, that's that tush  
This right here is my bag  
Of purple marijuana, don't burn that bush  
Everyday's Christmas Eve with me  
Everybody celebrates like nothings free  
Tell Santa Clause I got special cookies for him,  
When he comes down my chimney  
I got munchies here, munchies there,  
Leftover chinese in my Frigidaire  
I'm the Iron Chef of this munchie shit  
Smoke everyday, fuck the air, inhale

Sour diesel white little kush, by the boat, inhale  
Sour diesel white little kush, by the boat, inhale  
Sour diesel white little kush, by the boat, inhale  
Inhale, inhale, inhale, inhale, inhale, inhale  
Inhale, inhale, inhale, inhale, inhale, inhale, inhale  
Sour diesel white little kush, by the boat, let's go.
