Mintee... is my good girl  
(Mintee's going and I'm not)  
It doesn't do to walk...  
It doesn't do to walk away, Mintee

(Mintee's going and I'm not)  
(Mintee's going and I'm not)  
(Mintee)  
Mintee...  
(Mintee)  
...is my good girl  
(Mintee...it's so f-...it's so convenient for Mintee)  
(Mintee...it's so f-...it's so convenient for Mintee to go  
because Mintee hasn't got  
Mintee hasn't got a b-..  
Mintee... Mintee hasn't got a wooden leg (??)

(Mintee's going and I'm not)  
(Mintee's going and I'm not)  
(Mintee's going and I'm not)  
(Mintee's going and I'm not)

Mintee... is my good girl  
I say to Mintee, I say, Mintee, come here and, and show  
me your cock (?)

Mintee says,..."I can't because...I'm now officially  
European"
