Let it all out!!

Let it all out!!

When the sunshine hits your eyes you'll find me there
And I'm not afraid of romance

Although you've just arrived to crash my life
Your smile is saying something that I like:

You're not afraid of romance

And I'm not afraid of romance

Don't be afraid
Don't be afraid
Don't be afraid
And I'm not afraid of romance

Let it all out!!

Letiling!

Letiling!

Let it all out!!

Let it all out!!

Let it all out!!

Let it all out!!

1! Go!

Let it all out come on!!

When the sunshine hits your eyes you'll find me there
And I'm not afraid of romance

Although you've just arrived to crash my life
Your smile is saying something that I like:

You're not afraid of romance

Whoa, oh, oh
And I'm not afraid of romance

Don't be afraid
Don't be afraid
Don't be afraid
And I'm not afraid of romance
Don't be afraid
Don't be afraid
Don't be afraid
I'm not afraid!!

When the sunshine hits your eyes you'll find me there

When the sunshine hits your eyes you'll find me there
And I'm not afraid of romance
When the sunshine hits your eyes you'll find me there
And I'm not afraid of romance
When the sunshine hits your eyes you'll find me there
And I'm not afraid of romance
