Ride the back of an angry pig
Don't understand arithmetic

Some join in, get a sweat
Others don't get into it

Ride the back of an angry pig
Ride the back of an angry pig
Ride the back of an angry pig
Tell me how does it feel?

Father sun, mother moon
River deep, pig in June

Some join in, get a sweat
Others don't get into it

Ride the back of an angry pig
Don't understand arithmetic

Pound it's shanks with your spurs (?)
Give that pig what it deserves

Ride the back of an angry pig
Ride the back of an angry pig
Ride the back of an angry pig
Tell me how does it feel?

Ride the back of an angry pig
Ride the back of an angry pig
Ride the back of an angry pig
Tell me how does it feel?
