Well I look at justice in a different light  
I been to jail, it didn't make me right  
Try and conform, but won't be deaf, blind, dumb  
Been beaten down, just harder I've become

Chorus:

Death church rising  
Hate church rising  
Lost church rising  
Death church rising  
Hey Jesus can't you help me with my pain  
Mainline me some religion, keep me sane

Christ suffering upon my TV screen  
Send in your money to the faith obscene

Chorus

Strength, truth and honor, words I strive to live  
Your faith's profane, it takes, never gives  
'Cause I'm gonna die standing upon my feet  
You're gonna die groveling on your knees  
Chorus
