[Pre-verse]

As I fall,  
Over and over  
Drunken through vodka...

As I fall,  
Over and over  
Drunken through vodka & cola  
Shard's of glass burning the back of my head  
As I turn red  
All out war  
Each one get on the floor  
Red so hot  
Follow the middle son  
Concrete jump  
Makes a boy look like a drunken...grrrrr..ass!

[Chorus]

Everytime I cross the line, I,  
Go, just leave me alone,  
I'll get by on my own,  
This whole world is our's,  
So let's take it.

[Pre-verse]

Scrape the plate  
Trust you a little bit  
Face so fucked.....

Scrape the plate,  
Trust you a little bit,  
Face so fucked, blow out your leg, Yeah

Spinning Lies,  
Make the man feel like he can't meet a superstar.  
Take a hit,  
Let the burn flow over you,  
Flow excell,  
Expand inside of you,  
Cut your throat,  
That'll be crazy now....  
HA HA!

[Chorus]  
Everytime I cross the line, I,  
Go, just leave me alone,  
I'll get by on my own,  
This whole world is our's,  
So let's take it.

[Gargled lyrics]

Everytime I cross the line  
I push the boundaries out a little...

Go, just leave me alone, (Everytime I cross the line)  
I'll get by on my own, (I push the boundaries out a little)  
This whole world is our's,  
So let's take it.
