Yaa

I understand your every, fear  
Your every pain your every, tear  
With every struggle you conquer  
Turn heart to steel  
And will to iron

You want more?  
You'll get it  
Determined ferocious  
(What?)  
Grit down and bite the bullet  
When dare to unbind  
Smash and redefine

The hate you feel is nothin', more  
Than love you feel to win this, war  
This battle that rages inside you  
With bloodlust  
You must unchain your shackles

You want more?  
You'll get it  
Determined ferocious  
(What?)  
Grit down and bite the bullet  
When dare to unbind  
Smash and redefine

Lion hearts  
Never give in  
Unsatisfy  
Every weakness  
Lion hearts  
Never give in  
(Now)  
Unsatisfy  
(Fy)  
Every weakness show

You want more?

You'll get it  
Determined ferocious  
Grit down and bite the bullet  
When dare to unbind  
Smash and redefine
