I see the sun begin to rise
And I'm blinded, too
I've seen the world through jaded eyes
That I'm crying through
I watch the darkness hypnotize
And can't fight it...

Hold on, I'm falling
Can't breathe anymore
Ocean has opened
These scars need to heal over

Caress the needle prick in my skin
The tears fell like rain
I've rode the phoenix as she glides
And I've gone insane
I've seen the light of suicide
And I'm dying

Hold on, I'm falling
Can't breathe anymore cause
Ocean has opened
These Scars need to heal over

Hold on I'm falling, can't breathe...breathe...

Colder and colder
Just hold onto me
