I am a nightmare walking - psychopath talking  
King of my jungle - just a gangster stalking  
Living life like a firecracker - quick is my fuse  
Then dead as a deathpack - the colors I choose  
Red or blue cause a blood - it just don't matter  
Sucker die for your life with my shotgun scatters  
We gangs of c.a. will never die....just multiply

Colors!

You don't know me, fool - you disown me  
I don't need your assistance, social persistence  
Any problem I got I just put my fist in  
My life is violent, but violent is life  
Peace is a dream, reality is a knife  
My colors my honour my colors my all  
With my colors upon me one soldier stands tall  
Tell me what have you left me, what have I got  
Last night in cold blood my boy --- got shot  
My home got jacked, my mother's on crack  
My sister can't work cause her arms show trax

Madness insanity - live in profanity  
Then some punk claimin they understandin me  
Give me a break, what world do you live in  
Death is my sect, guess my religion

Colors!

My pants are saggin braided hair

Suckers stare but I don't care  
My game ain't knowledge - my game's fear  
I've no remorse so squares beware  
But my true mission is just revenge  
You ain't in my sect, you ain't my friend  
Wear the wrong color - your life could end  
Homocides my favorite venge (beach? )

Colors!

I'll just walk like a giant - police defiant

You'll say to stop - but I'll say that I can't  
My gangs my family - it's all that I have  
I'm a star - on the walls is my autograph

You don't like it - so you know where you can go  
Cause the streets are my stage - and terror's my show  
Psyco-analyze - tried diagnising me wise  
It wasn't your brother that brutally died  
But it was mine - so let me define  
My territory don't cross the line  
Don't try to act crazy - cause the shit don't thank me  
You can be read like a punk - it wouldn'ta made  
(amaze? ) me  
Cause my colors death - thou we all want peace  
But our war won't end - till all will cease

Colors!
