Bow down to no one
Bow down to none
Bow down to no one
Bow down to none

Straight down
Been goin'
Been sleepwalkin'
In a violent haze
This world
In ruin
The chain shackles
Like a foul disease

Bow down to no one
Bow down to none
Bow down to no one
Bow down to none

This rage
This struggle
It is a feelin'
That's devourin'
Can't break
Can't fuckin' give in
The pain will lead us through the blisterin'

Cold
Cold
Cold
Cold

[Incomprehensible]

Bow down to no one
Bow down to none
Bow down to no one
Bow down to none

Bow down to no one
Bow down to none
Bow down to no one

Bow down to none

Bow

So

So down
