I am only nothing  
I am only this  
I am just a man with these two fists

You've asked forgiveness  
You've asked respect  
Only something that you did forget

All you gave, you had planned to take  
Beat upon me but I won't break  
Stripping everything from me, no

Will to me your anger  
Will to me your rage  
Will to me your lies, your sufferings

Not a man of virtue  
Not even a man  
Will not take the hate dealt from your hands

Years of pain I will take and hone  
Manifest with your broken bones  
My heart bleeds for none but my own, my own

Burn, burn

I am only nothing  
I am only this  
I am just a man with these two fists

You're not a man of virtue  
Not even a man  
Cannot take the hate dealt from your hands

Years of pain I will take and hone  
Manifest with your broken bones  
My heart bleeds for none but my own, my own

Motherfucker burn, burn

My heart bleeds for none but my own  
My heart bleeds for none but my own
