Trapped in purgatory  
A lifeless object, alive  
Awaiting reprisal  
Death will be their acquisition

The sky is turning red  
Return to power draws near  
Fall into me, the sky's crimson tears  
Abolish the rules made of stone

Pierced from below, souls of my treacherous past  
Betrayed by many, now ornaments dripping above

Awaiting the hour of reprisal  
Your time slips away

Raining blood  
From a lacerated sky  
Bleeding its horror  
Creating my structure  
Now I shall reign in blood!

South Of Heaven - Slayer  
An unforeseen future nestled somewhere in time  
Unsuspecting victims no warnings, no signs  
Judgment day the second coming arrives  
Before you see the light you must die

Forgotten children, conform a new faith,  
Avidity and lust controlled by hate  
[The] Never ending search for your shattered sanity  
Souls of Damnation in their own reality

Chaos rampant  
An age of distrust  
Confrontations  
Impulsive habitat

Bastard sons beget your cuntling daughters  
Promiscuous mothers with your incestuous fathers  
Engreat souls condemned for [all] eternity

Sustained by immoral observance a domineering deity

Chaos rampant  
An age of distrust  
Confrontations  
Impulsive sabbath

On and on, south of heaven [x 4]

The root of all evil is the heart of a black soul  
A force that has lived all eternity  
A never ending search for a truth never told  
The loss of all hope and your dignity

Chaos rampant  
An age of distrust  
Confrontations  
Impulsive habitat

On and on, south of heaven [x 4]
