Give me power to end all of the strife
Courage to kill the pro life
I don't want to see, you can't change me
You tell me not to bow, follow for now
You're oh so holier than thou

The more things change
The more they stay same
The more things change
The more they stay same
The more things change
The more they stay the same

Give me patience to deal with all the strain
Balance to take the fuckin' pain
I don't want to fake and I won't break
We're too happy to be in our apathy
We smile single file to the line

The more things change
The more they stay same
The more things change
The more they stay same
The more things change
The more they stay the same

So c'mon c'mon c'mon c'mon
We gotta wake up
You don't know you're right or wrong
We gotta wake up
So c'mon c'mon c'mon c'mon
We gotta wake up
You don't know you're right or wrong
We gotta wake up
So c'mon c'mon c'mon c'mon
We gotta wake up
You don't know you're right or wrong
We gotta wake up
So c'mon c'mon c'mon c'mon
We gotta wake up
You don't know you're right or wrong
Wrong
