## "The Burning Red"

I see the sun begin to rise  
And I'm blinded too  
I've seen the world from jaded eyes  
That I'm crying through  
I watch the darkness hypnotize  
And can't fight it

Hold on I'm falling  
Can't breathe anymore  
An ocean has opened  
These scars need to heal over

Caress the needle prick in my eye  
The tears fell like rain  
I've rode the phoenix as she glides  
And I've gone insane  
I've seen the light of suicide  
And I'm dying

Hold on I'm falling  
Can't breathe anymore  
And the Ocean has opened  
These Scars need to heal over

Hold on I'm falling  
can't breathe...  
breathe...

Colder and colder  
Just hold onto me

hoohhhh.....
