Hook:

Shake it, pop it, bounce it, twist it (4x)

Chorus:

Whoa lil mama

I can't believe this

Whoa lil mama

My bank you tryna receive this

Whoa lil mama

You gotta twerk

Whoa lil mama

I mean work it (2x)

Look, la-la-look I'm in the club

But before I spend a dub

You gotta bring it here drop it down and pop it up

Open it hold it there let see that there

I don't care where you shake it just don't drip it in my
cup

Now hold up you too fast

You gotta touch your toes lil mama shake that ass!

Wanna back up view a close up for that shot

Five dollars will get you a tabletop

But it won't stop drop to your ankles

And do some tricks to make a nigga wanna spend this
bank roll

Head to the bar to cop a bottle now I'm faded

I'm a big balla now I know yall niggas sho hate it

Chorus

Na-na-na-now daddy like the way that you be shaking
your butt

Opening up I guess it's time to get in the gut

Keep talking it girl but money ain't thang like your main

Don't you see that blang blang in my chain or in my
watch

I'm straining I'm hot main like 97 octane

Twenty dollars for five dollar baby

Cuz I'm flossing a hundred g'z in a year

Whoa lil mama vip's rite chea
