Time to fight for my family
And time to fight for my white country
Hey niggers, this is my land
For the white man, do you understand?
Hey niggers, this is my land
For the white man, do you understand?

This is my life
This is my life
This is my life
My white life!

This is my life
This is my life
This is my life
My white life!

Hell, we say Adolf Hitler's right
And we will fight, fight
Smash the nigger race
The white race is the right race!
We say smash, smash the reds
We are white, white men
We are from the Ku Klux Klan
And fighting you, nigger man!

This is my life
This is my life
This is my life
My white life!

This is my life
This is my life
This is my life
My white life!

Hell, I'm proud of my country
And I'm proud of my family
Save our white race and
Kill the nigger phase!

This is my life
This is my life
This is my life
My white life!

This is my life
This is my life
This is my life
My white life!

This is my life
This is my life
This is my life
My white life!

This is my life
This is my life
This is my life
My white life!
Sieg Heil!
