bright lights, tv screen
feels like looking in a magazine
you heard, on the floor
feels like dancing is the way to go

but if you let her see that fancy footwork
ahhh, show her that you're not that shy
let her see that fancy footwork
ahhh, show her you're that type of guy

but if you let her see that fancy footwork
ahhh, show her that you're not that shy
let her see that fancy footwork

ahhh, show her you're that type of guy
