She says I remind her of her father  
And I know she likes it  
She wants a man that's got  
His game locked tight

I think she reminds me of my mother  
And she knows I like it  
I want a woman  
With the same brown eyes

And girl, you got it so bad  
When the only boy you know is your dad  
And boy, you got it so wrong  
When you look into her eyes  
And all you really see is your mom

Ohh  
?Coz you're a momma's boy, momma's boy

She tried to take me to the movies  
But I couldn't enjoy it  
I didn't even let her sneak a touch

She asked me, ?What's the problem?  
Maybe we can talk about it  
You're thinking ?bout your mother  
Way too much?

And you got it so bad  
When the only boy you know is your dad  
And boy, you got it so wrong  
When you look into her eyes  
And all you really see is your mom

Woah  
?Coz you're a momma's boy, momma's boy  
Momma's boy, momma's boy  
You're a momma's boy, momma's boy, yah

You're just a momma's boy  
You're just a momma's boy  
You're just a momma's boy

You're just a, oww

She says I remind her of her father  
And I know she likes it  
She wants a man that's got  
His game locked tight
