Let's keep the screaming and the fighting and the
crying
To a minimum
And if the kitchen don't work
We can fight in the living room

You try to hurt me when you say
You'll find another date
And memories of me will fade away
You try to hurt me and deny
That I was an okay guy
And I'm just left here wondering why

My
Girl is callin' me
My
Girl is callin' me a liar
My girl is callin' me a jerk
(You jerk!)

You got to realize
'Cause you're not being nice
I was trying not to hide the facts
It's the truth that's in disguise
See, what you fail to see
Is it wasn't a fantasy
But little by little, all the things and the pressure
Just got the best of me

My
Girl is callin' me
My
Girl is callin' me a liar
My girl is callin' me a jerk
I should call P right now!

P: Hello?

DAVE: She doesn't listen to a single word I say

P: Just give the girl some time and she will come
around your way

DAVE: Man, I ain't got time to waste

And I'm tired of fights

P: You've got to be patient with the woman of your life

DAVE: Look, I tried to tell her, but

She's cussing me out

P: Just take her to the movies and you're gonna work it out!

DAVE: That's it?

P: Yeah

DAVE: Really? Alright then, good night P

P: Good night.
