[verse]

wanna be by yourself, and no one else  
alright, a-a-a-a-alright  
and you wanna go out, wanna scream and shout  
tonight, t-t-t-t-tonight  
you want some space, like "get outta my face"  
alright, a-a-a-a-alright  
and you want me back, put your life on track  
tonight, t-t-t-t-tonight

[chorus]

you're a needy girl  
i can tell when i look in your big brown eyes  
you want my world  
but how can i do yours if i can't do mine  
i try to change  
but somehow it's weird, i don't feel the same  
it's all about  
what you want, what you say, how you feel  
how you play the game

[p-thugg]

you're a needy girl  
and you want my world  
i try to change  
but it's not the same

\*phone rings\*

"hello? ...hey what's up, baby? ...yeah, i'm in the studio  
right now, i'll call you later. ...nah, i really can't talk right  
now, i'll just call you back alright. ...i-i can't talk right  
now, i'll just call you later! ...yo, what? y- i can't- look, yo  
whatever!"

[verse]

when you're home alone, you don't answer the phone  
alright, a-a-a-a-alright  
but it's like a crime, if i don't answer mine

tonight, t-t-t-tonight  
so you found a man, and he's more than a friend  
alright, a-a-a-alright  
but you still call me, for some T.L.C.  
tonight, t-t-t-tonight

[chorus]

you're a needy girl  
i can tell when i look in your big brown eyes  
you want my world  
but how can i do yours if i can't do mine  
i try to change  
but somehow it's weird, i don't feel the same  
it's all about  
what you want, what you say, how you feel  
how you play the game

[p-thugg]

you're a needy girl  
and you want my world  
i try to change  
but it's not the same
