I know inside of me
Sooner or later we gon' to be free
Come on, girl, don't make a fuss
Let's have a conversation that's not just about us

When we don't know which way to go
And it doesn't really matter what we do
There's gotta be one good way to know
If all this is worth it, we can work it night by night

She says I'm
(Not romantic)
I say she's
(Too dramatic)
I tell her while we're at it
We can work it night by night

She says I'm
(Not romantic)
I say she's
(Too dramatic)
I tell her while we're at it
We can work it night by night

Night by night
Night by night
Night by night

I know inside of me
If I wait a bit longer, we'll see what's meant to be
Come on, girl, we can't be apart
A special kind of lovin' reaches right to my heart

When we don't know which way to go
And it doesn't really matter what we do
There's gotta be one good way to know
If all this is worth it, we can work it night by night

She says I'm
(Not romantic)
I say she's
(Too dramatic)

I tell her while we're at it
We can work it night by night

She says I'm
(Not romantic)
I say she's
(Too dramatic)
I tell her while we're at it
We can work it night by night

Night by night
Night by night
Night by night
Night by night

Not romantic, too dramatic
We can work it night by night
Not romantic, too dramatic
We can work it night by night

Not romantic, too dramatic
We can work it night by night
Not romantic, too dramatic
We can work it night by night

She says I'm
(Not romantic)
I say she's
(Too dramatic)
I tell her while we're at it
We can work it night by night

She says I'm
(Not romantic)
I say she's
(Too dramatic)
I tell her while we're at it
We can work it night by night
