we are back again, so tell a friend
its chromie, its chromie
its chromeo-o-o-o-oh
until the end, until the end

you and i, baby we go side by side
me and you, tell me what we're gonna do
you and i, baby we go side by side
me and you, tell me what we're gonna do

no matter what i came here to do
no matter what you came here to say
we really ain't got nowhere to go
cause you're my tenderoni
cause you're my tenderoni

no matter what i came here to do
no matter what you came here to say
we really ain't got nowhere to go
cause you're my tenderoni
cause you're my tenderoni

you and i, baby we go side by side
me and you, tell me what we're gonna do
fo' sho, if i tell you how to do my dance
maybe then you'll let me get in those pants
fo' sho, if i tell you how to do my dance
maybe then you'll let me get in those pants
cause you're my tenderoni
cause you're my tenderoni
cause you're my tenderoni
cause you're my tenderoni

can't fight the feelin, or get shut down
she let me slide enough
can't fight the feelin, or get shut down
she'll always be my
t-t-t-t-tenderoni

no matter what i came here to do
no matter what you came here to say
we really ain't got nowhere to go

cause you're my tenderoni
cause you're my tenderoni

you and i, baby we go side by side
me and you, tell me what we're gonna do
tenderoni
