Ooooooooooh  
I'm waiting for you  
I'm waiting for you

I said

Ooooooooooh  
I'm waiting for you  
I'm waiting for you

I see you when the lights turn low  
I want you more than anyone knows  
These one of a kind  
Thoughts all over my mind  
And you don't know anything about it

It gives me such delight to watch you get in the mood  
And you don't know anything about it  
To treat you right, just right, and spend an evening with  
you  
And you don't know anything about it

I see you when the lights turn low  
I want you more than anyone knows  
These one of a kind  
Thoughts all over my mind  
And you don't know anything about it

Ooooooooooh  
I'm waiting for you  
I'm waiting for you

I said

Ooooooooooh  
I'm waiting for you  
I'm waiting for you

I see you when the lights turn low  
I want you more than anyone knows  
These one of a kind

Thoughts all over my mind  
And you don't know anything about it

Looking out the window I can't help but stop and stare  
This fine young woman's on the corner standing there  
And, mmm, I start to wonder  
Mmm, I wonder why  
Would things be really different if I couldn't catch her  
eye  
Man, maybe I managed to act real cool  
But she turned around and played me like a fool  
A fool  
See something in her mawl  
Makes me scared to even try  
That simply she's into another guy  
That's why

Ooooooooooh  
I'm waiting for you  
I'm waiting for you

I said

Ooooooooooh  
I'm waiting for you  
I'm waiting for you
