Tap your troubles away  
You've bounced a big check  
Your mom has the vapors  
Tap your troubles away

Your car had a wreck  
They're serving you papers  
When you're the one that it always rains on  
Simply try putting your Mary Janes on

Your boss just gave you the axe  
There's years of back tax  
You simply can't pay  
Of a sky full of crap  
Always lands in your lap

Make a curtsey and  
Tap your troubles away  
Tap your troubles away  
You're sued for divorce

Your brother gets locked up  
Tap your troubles away  
You're fat as a horse  
And find that you're knocked up

When you need something  
To turn your mind off  
Why not try tapping  
Your poor behind off?

Your boat goes over the falls  
The plane you're on stalls  
The pilot yells, "Pray"

When your parachute strap  
Is beginning to snap  
Smile a big smile  
And tap, tap, tap your troubles away

When the wolf's at the door  
There's a bluebird in store

If you glide cross the floor  
Till your ankles get sore  
Just tap your troubles away

Your troubles away  
Your troubles away  
Your troubles away
