She wants me to break it half
So I'mma crack it like Humpty Dumpty
Her brothas want jump me
But motherfuck a lil' trick

She can get the dicka dee, dick dick, down south or in
her mouth
Bustin' nigs I like to digs dark meat
Big booty but no cellulite
I'll grab it, stab it, 'cause I gots to have dag nabbit

Fuck it like rabbit, wanna make it holla
Oh what the hell, bust a right turn 12 dollar motel
'Cause in the hood thats the best a nigga get
Small room smelling like cigarettes

Look girl, it's a bed and builing
So stop acting like you gotta have the Hilton
It's four walls so drop your drawls and get cozy
'Cause I'mma break you off something at the Mozi-
Wozi

Mozi-Wozi, Mack 10 bitch
Niggaz make a children, foe life
Bitch I'll be there, you got damn right
If it cares to trip 'em

Before we get busy, go and take a shower
But hurry up shit 'cause we only got an hour
And I plan to be in it up to win it a good 45 minutes
And break that back down

Stick yo ass in the air and lay yo head flat down
Waking up the neighbors nothing can save ya
But I hope, I don't catch the vapors
'Cause funky ass cock is a turn off

It gets me hotter than pace paconie sauce
From New York City
You got a big ole ass and little bitty titties
But it's cool, 'cause I can hunt for your chest

And now we getting complaints
From the front desk
At my door just to get a peek freak
Motherfucka kinda nozy at the Mozi-Wozi

I'm breakin' hoes down 'til their very last complaint
Ass up face down
I'm breakin' hoes down 'til their very last complaint
Ass up face down

I'm breakin' hoes down 'til their very last complaint
Ass up face down
I'm breakin' hoes down 'til their very last complaint
Ass up face down

Ain't no frontin' on the pussy that I'm gettin'
Name is Mack 10 but fuck it, I'm still sweating
You won't believe all the wreck, I'm catching
I'm hard as a brick and my rubber is stretching

See a motel bed can take a pounce
When you give it more bounce to the ounce
And I'm feeling it from the way I'm hung
And I'm killing it, I might puncture a lung

Now the Mozi-Wozi is the place for chillin'
But the bathroom towels ain't worth stealin'
The TV's broke and the carpet is dirty
And you got till about 12:30

To have yo ass out
But don't fuck around and get drunk and pass out
'Cause before I can finish this rhymes
You hear a buzzer and a bitch yellin', "Check out time"

Mozi-Wozi, Mack 10 bitch
Niggaz make a children, foe life
Bitch I'll be there, you got damn right
If it cares to trip 'em, bitch so don't even trip

Mozi-Wozi

I'm breakin' hoes down 'til their very last complaint
Ass up face down
I'm breakin' hoes down 'til their very last complaint
Ass up face down

Bitch, let's go
