Do what you gotta do, Nigga keep it tight
But make um understand Its Westside foe Life

the industry
Got it in for me, but i kick back nigga life is short,
And you don't wanna get put on life support
We wake up early, you aint worthy and got the killas on

You wanna battle, hand a bitch the mic

Niggas get him git him, where it hurts to his head
squirts puss
Infamous when you aint kin to us
Abuse with Crips and Bloods, on the loose
Killa Cali all we need is an excuse

Just remember you niggas that want me to timber
I'm in my swimming pool, in the middle of December
Foe every motherfucka that wanna kill a vet

Yo bitch hear my voice pussy get moist

Bitches in the beauty shop, talkin bullshit

How many dicks did you have stuck in you
The topic is always whose fuckin who
Nappy hair hoes with earrings in they nose
