Look at my car, looking my glow name,
Can't you tell I'm winning, yeah I'm winning, winning,
winning,
What's your pain,, it's just the beginning, beginning,
It's ain't finish, cuz I'm winning, winning.

Ex-loser for a stereo, the chef is so ..cooking that thing
I order
Time is relevant each 24 hours is like my money ..with
the power
I got the power to change how I live, garage for the .. ,
Accounts for the cash .. in the crib,
It smells like boil of ..in here
Who ever thought is a youngster ..marbles
Where I sit ,A hood for the soldiers that shoot for the ,
So don't try, is invite only big party start up with
just me and my hobbies,
Models in ,you can ,I f*ck for this ..

Chorus:

Look at my car, looking my glow name,
Can't you tell I'm winning, yeah I'm winning, winning,
winning,
What's your pain,, it's just the beginning, beginning,
It's ain't finish, cuz I'm winning, winning.

Ex-loser, ..was never present, now ..never absent,
Teach start you lesson, Watching baby undressin'

All we need is the key to the ,
All we need is the ,
