An in fallible prodigy standing in veneratioan a
psychotic suprem as minion righteousness
wander the grand damnation long awaited pearly
gates carry the burden of sinful covet glorify
the servant of deception experiencing the power of
testosterone as nuanced throug obituary of
the damned ravenous for salvation betaryad by desire
wanting to feel the scape form freedome
end postponed despaire is synthesized becoming
death,as eyes are closed destroyer of the
constellations fragrant stesh from wounds of lust
euphonic screams of benediction prosper
the egoistic a chorus of redemption a tracebla act of
insanity staring in eyes of panic
smellint the odour of consternation indifrence having
the upper hand nourishing the

pandemonium the psychotic escale death tale of the
psychotic
