I know a place all the beautiful people congregate  
This is your invite to party  
It will never end so don't be late  
Heaven ain't so far away  
Its what u do it's what u create  
And u willin n you'll feelin  
Begin and u will feel it  
Love yourself and now you're free  
Go throw your head back say Oh yeah!  
(From your heart)  
Go throw your head back say Oh yeah!  
(From your heart)  
Mmm baby do you feel me  
(From my heart)  
Go throw your head back say Oh yeah!  
(From your heart)  
Oh yeah  
(From your heart)  
Oh yeah  
(From your heart)  
Throw your head back say oh yeah  
Were gonna take you higher  
Where all the lovin people congregate  
Its time to stop all the fighting  
Set the whole world with the love we make  
Heaven ain't so far away  
What u do is what u create  
And you're willin when u feel it  
Begin and u will feel it  
Love yourself and now you're free  
Go throw your head back say Oh yeah!  
(From your heart)  
Throw your head back say Oh yeah!  
(From your heart)  
Mmm baby do you feel me  
(From my heart)  
Go throw your head back say Oh yeah!  
(From your heart)
