Lick you from bottom to roof  
Love to get down with you I am the sex-o-matic venus  
freak when I'm with you  
And I will stop it only when you tell me to  
I am the sex-o-matic venus freak when I'm with you  
And I will stop it only when you tell me to  
I am the automatic easy freak all over you  
And I will stop it only when you tell me to  
I am the sex-o-matic venus freak when I'm with you  
And I will stop it only when you tell me to  
I am the automatic easy freak all over you  
And I will stop it only when you tell me to  
I am the sex-o-matic venus freak when I'm with you  
And I will stop it only when you tell me to
