Fuck it for you, fuck, fuck, fuck, fuck her for you
(Well, That What It Sounds Like!)
You need to get up and do something
Don't let (Fuck it for you) your whole life pass you by
(Fuck it for you)
You need (Fuck it for you) to get up and do something
(Fuck it)
You need to get up and do something (Fuck it, fuck it
for you)
(Fuck it, fuck it) Get up get out and do somethin'
Fuck it for you
Like Cleopatra got the masses at my feet
Got a living dwell down on easy street
I'm the latest craze
And if you stay awhile
Inevitably you're gonna bite my style in your later days
Well, well, well, let me tell you what is fact and what is
true
I get high a lot ain't got much to do
I'm always in a daze
That was just a dream I had last night in my bubble
bath
Next to my wishing well (Fuck it for you)
(Fuck it for you) Get up get out and do somethin'
Don't let the days of your life pass you by
You got to (Fuck it for you) get up get out and do
somethin'
How will you make it if you never even try?
(Fuck it for you) Get up get out and do somethin'
Can't spend your whole life tryin' to get high
You got to get (Fuck it for you) up get out and do
somethin'
Cuz you and I gotta do for you and I (Fuck it)

What's been happenin'? How you doin'? Where you
been?
I'm further behind now than I was back then
Lost in some ole maze
Some years have passed me by
All I want is to go get high
I'll get it together some other day
And in my dreams I dwell cuz all my dreams are swell

Get up get out and do somethin' (Do somethin')
Days of your life pass you by
You got to get up get out and do somethin'
How will you make it if you never even try? (Fuck it for
you)
(Fuck it for you) C'mon and get up get out and do
somethin'
Can't spend your whole life tryin' to get high
You got to get up get out and do somethin'
(Fuck it for you) Cuz you and I gotta do for you and I
(Fuck it)
Get up get out and do somethin'
How will you make it if you never even try? (Fuck it)
Get up get out and do somethin'
Cuz you and I gotta do for you and I (Fuck it for you)
And in my dreams I dwell cuz all my dreams are swell
And you would too, if you could see them
That's when I know
I gotta go get up get out and... , will you

Heaven is at my feet
Got a living dwell down on easy street
I'm the latest craze
It's just a dream I had last night in my bubble bath
Next to my wish...
Get up get out and do somethin'
Your whole life...
Get up get out and do somethin'
How will you make it if you never even try?
(Better) Get up (Get up) get out and do somethin' (Get
out)
Don't spend your whole life tryin' to get high
C'mon and (Get up get out and do somethin') Get up
get out and do somethin'
You and I gotta do for you and I, alright
Get up get out and do somethin' (Fuck it for you)
Get up get out and do somethin' (Fuck it for you)
(Fuck it for you) How will you make it if you never even
try?
Get up get out and do somethin' (Something I want you
to do) (Fuck it for you)
Get up get out and do somethin' (I want you to do
something) (I want you to do)
Get up get out and do somethin' (I want you to do
something) (You and I gotta do for you and I) (Fuck it
for you)
Get up get out and do somethin' (I want you to do
something) (Fuck it for you)
(The love effect, you gotta get up get out and do
somethin') Get up get out and do somethin'
Don't let the days of your life pass you by (Fuck it for

you)
