Uh Go Macy

You tell me so much that I know it by heart
How you taught me everything and took me to the top
I'm higher than the mountains over the clouds
I see the aliens nodding to the dope dope sounds
from the radio in the jets flying around
I'm like the sky baby, I'm never coming down
You drive me crazy, get off my cloud
but you don't wanna leave
Let me go get my boys

[Chorus]

Get out, get out
She don't LOVE you
Macy don't love you
Get out, get out
She don't LOVE you
Macy don't love you, boy
Get out, get out
She don't LOVE you no more
She don't LOVE you no more
She don't LOVE you no more
She don't...

Birds fly by with the booming system
Gotta holla got to scream just to get your attention
It's everything you want it's what you've been wishing
The beat of the century, made by Justin
From outer space to the deep blue sea
We're gonna pop it gonna shake it gonna set you free
now
You're telling everybody you did this beat
and you don't wanna leave,
Well let me tell you something

Sometimes in love we just have to say goodbye
(goodbye)
It just ain't meant to be no need to try
No no

[Chorus]

Get out, get out
She don't LOVE you
Macy don't love you
Get out, get out
She don't LOVE you

Macy don't love you, boy
Get out, get out
She don't LOVE you no more
She don't LOVE you no more
She don't LOVE you no more
She don't...
Get out, get out
She don't LOVE you
Macy don't love you
Get out, get out
She don't LOVE you
Macy don't love you, boy
Get out, get out
She don't LOVE you no more
She don't LOVE you no more
She don't LOVE you no more
Shh, hear me
