You must be smellin' cherries and strawberries
And peaches and plums
Roses and dandelions

Special lovin' on the night I spent with you
It was the best that I've had lately
But it didn't mean anything, yea
And I will be glad when you stop callin' me

Harry
Don't wanna be your girlfriend
But boy when you want the lovin'
Come and see me Harry

Swore my ever lastin' true an' love to you
Said that I need ya, I want ya, didn't I baby
But I was just kiddin' 'round, yea
And I will be glad when you stop callin' my house

Harry
I don't wanna be your girlfriend oh no
But boy when you want the lovin'
Come and see me Harry

And it's a shame Harry
'Cause you're such a beautiful thing, Harry
You tell them that you love me and I bet ya do
But love's not my thing right now Harry
All I wanna do is swing
And when you're ready, I'm here for you

Please Harry
Stop callin' me

Harry, yea, yea, yea, yea, yea, yea
I don't wanna be your girlfriend, not now
But boy when you wanted the lovin'
When you want the love, ahh ahh
Feel free to come and see me, Harry, yea
Hey Harry

{Okay next coming up, from right there}
