Run, the creature has come
There's no cover for you, no prize when you've won

Be
If I could be Jesus for just a day and have it my way
If I could be perfect like the light, Jesus for just a night
and have it my way
If I could be...

Stand the creature has come
We're doing all we can but our angels have given up

Be
(If) If I could be Jesus for just a day and have it my way
If I could be perfect like the light (Like the light), Jesus
for just a night (Just a night) and have it my way
If I could be...

If I could be (Jesus) Jesus for just a day (Just a day) and
have it my way (My way)
If I could be...

Atop my mountain, a phenomenon
When I walk on the water I am complete, at peace and
I'd make it so you'd be just like me

Be
If I could be (Jesus) Jesus for just a day and have it my
way (My way, my way) (My way)
If I could be (My way) perfect (Jesus for one day) like
the light, Jesus for just a night (Just a night)
And have it my way (My way, my way)
If I could be... (If I could be)
If I could be (Jesus for one day) Jesus for just a day and
have it my way (Have it all my way)
If I could be (If I could be) do all my life right (Do all my
life right)
(Jesus for one day) Jesus for just a night (Jesus for just
a night)
Have it my way
If I could be...
