Nutty nutmeg fantasy
Can't you see, you and me
In my nutty nutmeg fantasy
You and me, can't you see
You and me, in my nutty nutmeg
Baby I know we had a bad day and you are so mad at
me, it don't mean we have to mope around
Picture us on the moon, happy like a cartoon
Believe in love and it will come down
Nutty nutmeg fantasy (Nutmeg fantasy)
Can't you see (Can't you see), you and me (You and
me)
In my nutty nutmeg fantasy (Fantasy)
You and me, can't you see
You and me, in my nutty nutmeg

Picture if I was understanding and you were less
demanding
And the only time we scream and shout is when we're
making love babe on top of cloud 8
Believe in love and it will come down
Nutty nutmeg fantasy (Nutmeg fantasy)
Can't you see, (You and me) you and me
In my nutty nutmeg fantasy (Fantasy)
You and me, (Can't you see now) can't you see
(You and me) You and me, in my nutty nutmeg

Imagine and maybe it will happen, you and me 'till the
end
May be a dream but it's real to me
Chocolate covered roses, love in massive doses in my
nutmeg fantasy

Nutty nutmeg fantasy (Nutmeg fantasy)
Can't you see (Can't you see), you and me (You and
me)
In my nutty nutmeg fantasy (In my dream)
You and me (You and me), can't you see (Can't you
see)
You and me (You and me), in my nutty nutmeg
Nutty nutmeg fantasy (Maybe I could call tonight)
Can't you see (Can't you see), you and me (You and

me)
In my nutty nutmeg fantasy (And you send me to my
room)
You and me (In my dream), can't you see (Can't you
see)
You and me (Can't you see), in my nutty nutmeg
(Nutmeg fantasy) (Fantasy)
(Can't you see) Can't you see, you and me
In my nutty nutmeg fantasy
Evenin' miss come from got it gone
Said Macy and Angie got it goin' on (Fantastic,
fantastic)

Knock on, (Nutty nutmeg fantasy), nutmeg
Can't you see, you and me

(We should be movin' on)
You and me (Fantasy, can't you see)

Can't you see, you and me, can't you see (Can't you
see, you and me)
My nutty nutmeg fantasy (In my nutty nutmeg fantasy)
Nutty nutmeg fantasy (Nutmeg fantasy)
Nutmeg fantasy (Can't you see) (Can't you see)
