The Game

Touch me in the right spot im for sure to break you
down
We can spend patrone bottles till that phantom pull
around
gangsters do gangster shit like buy the whole bar out
See something i like i max out my black card
i dont trick on a chick unless she walk like tyra
and she so on fire she can blow like mariah
you aint ballin stop your blood clap lyin
im the new 50 cent i got rich and kept tryin
i got lambos ferraris fountains of bacardi
and im so hood i just learnt how to pronounce bvlgari
my watch like ehh my neck like wow tryna shine like me
but your counter said no
all the girls move slow when they play me on the song
wind it up make it hot go crazy in your thong
she dont need no x-pills she go crazy on her own
its like an aphrodiziac whatever makes you going on
yeah.

Macy Grey:

come lover lover yeah you'll be who i see only in the
dark

come big papi you get my body someone has my heart
come to my hotel show me a show-tell gimmie what you
got
come lover lover yeah you'll be who i see only in the
dark

Touch me in the right spot and you bring me down
your fly and your fit i wanna fuck you now
that bling around my neck means my mans at home
im takin it off im turnin off my phone
you gotta body like ahh you work it like wow
you gotta swagger like you cant fuck
dont get it twisted i dont want your heart
im only gonna see you baby in the dark

come lover lover yeah you'll be who i see only in the
dark

come big papi you get my body someone has my heart
come to my hotel show me a show-tell gimmie what you
got
come lover lover yeah you'll be who i see only in the
dark
