Lick you from bottom to roof
Love to get down with you I am the sex-o-matic venus
freak when I'm with you
And I will stop it only when you tell me to
I am the sex-o-matic venus freak when I'm with you
And I will stop it only when you tell me to
I am the automatic easy freak all over you
And I will stop it only when you tell me to
I am the sex-o-matic venus freak when I'm with you
And I will stop it only when you tell me to

I am the automatic easy freak all over you
And I will stop it only when you tell me to
I am the sex-o-matic venus freak when I'm with you
And I will stop it only when you tell me to
