Bobby: Macy?

Macy: Sexual Chocolate?

Bobby: Yeah, it's me, B. Brown

Macy: Bobby Brown

Bobby: Listen, uhm, I wanted to talk to you about this song

Macy: Oh, you can talk to me all day

Bobby: Lets do this song together that has lyrics...

Macy: Lets do it now

Bobby: That just means something like ...

Macy: Love

Bobby: Listen, come on

I know why you hesitate, burned by all the fake lovers
that you had before

They put you down and gave you hate

Don't believe the things they say 'cause baby, you're a
dream, you're a score

'Cause I would walk a million miles for you, just to visit
you, baby

And I'll show you a trillion stars, the Moon is ours

Darlin', I, I'm everlasting

I'm a sure thing

I'm the master

Giving you real, real, real love

And it's yours for the asking

I put everything after

Giving you real, real, real love

Baby, I will kiss you, even when you have the flu

I'll be good to you when you're bad

Love you, love you baby

Lay you down and save you

I'm you super hero

I'm a fan, I'm a fan

And I would walk a million miles for you, just to visit
you, baby

And I'll show you a trillion stars, the Moon is ours

Darlin', I, I'm everlasting

I'm a sure thing
I'm the master
Giving you real, real, real love
And it's yours for the asking
I put everything after
Giving you real, real, real love

Lonely baby (Baby ah), I have to be where you are (Be
where you are)
We are like a shooting star (Shooting star)
Jump in my fast car
Baby, I'll take you forever
I'm making you mine, baby, for life (I'm making you
mine), for life

Darlin', I, I'm everlasting
I'm a sure thing
I'm the master
Giving you real, real, real love (Real, real, real love)
And it's yours for the asking
I put everything after
Giving you real, real, real love
(Real love)
Givin' ya, givin' ya, givin' ya (Baby I'm in love), givin' ya
Giving you, giving you (Givin' ya, givin' ya, givin' ya),
real, real, real love
Giving you, I'm giving you (Givin' ya, givin' ya, givin'
ya), real, real, real love
I'm giving you (Givin' ya, givin' ya, givin' ya), real, real,
real love
