Superlove is something that they say is very rare  
In the dark and in your world it's everywhere  
And I feel like an x, x rated movie star  
It's the way you love me down  
It's the way you love me down  
Everytime we kiss you bring out the woman in me  
And everytime you holler out my name you set me free  
And I, I am a sex-o-matic Venus freak when I'm with you  
And I will stop it only when you tell me to  
I am the automatic easy freak all over you  
And I will stop it only when you tell me to  
Superlove, gimme some, some, some  
We are the genius of love  
Feel like an x, x rated movie star  
It's the way you love me down  
It's the way you love me down  
Everytime we kiss you bring out the woman in me  
And everytime you holler out my name you set me free  
And I'm, I am a sex-o-matic Venus freak when I'm with  
you  
And I will stop it only if you tell me to (You tell me to)  
I am a sex-o-matic easy freak (Easy freak) when I'm  
with you  
(And I) And I will stop it only when you tell me to  
I am a sex-o-matic Venus (Sex-o-matic Venus) freak  
when I'm with you (When I'm with you)  
And I will stop it only when you tell me to  
When we seek and hide  
When my hands are tied  
69 positions and whip cream all over my skin  
Lick you from bottom to root  
Love to get down with you  
I am a sex-o-matic Venus freak when I'm with you  
And I will stop it only when you tell me to  
I am a sex-o-matic Venus freak when I'm with you  
And I will stop it only when (I am) you tell me to  
I am an automatic easy freak all over you (Easy freak)  
And I will stop (Easy freak) it only when you tell me to  
I am a sex-o-matic Venus freak when I'm with you  
And I will stop it (And I'm gonna stop it) only when you  
tell me to ('Cause that I am)  
I am a automatic easy freak (Easy freak) all over you (I

wanna)  
(All over you) And I will stop it only when you tell me to  
(All over you, I just...)  
I am (Am) a sex-o-matic Venus freak when I'm with you  
(I'm gonna sex you)  
And I will stop it only when you tell me to (Automatic,  
automatic, automatic)  
I am a sex-o-matic Venus freak when I'm with you  
And I will stop it only when you tell me to (Only if you  
want me to)  
I am a automatic easy freak all over you  
And I will stop it only when you tell me to  
I am a sex-o-matic easy freak (from Venus freak) when  
I'm with you  
And I will stop it only when you tell me to
