[The Toyes / Sublime song]

She was living in a single room w/ 3 other individuals,
one of them was a male, and the other two, well hell
the other two were females. God only knows what they
were up to in there, and furthermore Susan I wouldn't
be the least bit surprised to learn that all four of them
habitually smokes marijuana cigarettes, reefers that is

I smoke two joints in the morning, I smoke two joints at
night
I smoke two joints in the afternoon, it makes me feel
alright
I smoke two joints in time of peace, and two at time of
war
I smoke two joints before I smoke two joints, and then I
smoke two more

Freaky freaky freaky
Smoked cigarettes 'til the day she died
Toke a big spliff of some good sensimillia
Smoked two cigarettes 'til the day she died
Freaky freaky freaky
"Easy-E were ya ever caught steppin'?" "hell nah! "
[x2:] Freaky freaky freaky

Daddy he once told me, 'You gotta be a hard working
woman'
My mama she once told me, 'You gotta do the best you
can'
But then one day I met a man who came to me and said
'Hard work good, hard work fine, but first take care of
head'

I, wanna celebrate [x3]

I think that was it
