Sure do like the way it's going down  
With you we could be together for years  
And I'm ready to make that move cross that line  
With you we could put some joy in each other's tears

And L.O.V.E. don't sum it up for me  
It's much M.O.R.E. than any word could mean

Baby aah, 'cause it's going down  
Make me sing, "Lala" when you come around  
Make me say, "Oh wee", when you look at me  
Baby aah 'cause it's going down and I'm speechless

Practicing all day what to say to you  
But it never seems to come out right  
Just to know the feeling is so perfect for me and you  
And I want to feel it for the rest of my life

And L.O.V.E. don't sum it up for me  
It's much M.O.R.E. than any word could mean

Baby aah, 'cause it's going down  
Make me sing, "Lala" when you come around  
Make me say, "Oh wee", when you look at me  
Baby aah, 'cause it's going down and I'm speechless

Ohh it's for sure, there is love then there is something  
more  
I'm hoping the music can express what I feel when you  
caress  
Do you hear it when I scream your name  
When we're laying?

Sure do like the way it's going down  
With you we could be together for years

Baby aah, 'cause it's going down  
Make me sing, "Lala" when you come around  
Make me say, "Oh wee", when you look at me  
Baby aah, 'cause it's going down and I'm speechless

And L.O.V.E. don't sum it up for me

It's much M.O.R.E. than any word could mean

Baby aah, 'cause it's going down

Make me sing, "Lala"

'Cause it's going down and I'm speechless
