We always rock around  
We always rock around

We gonna rock around  
We always rock around  
I was so happy 'bout the love I found  
'Til I went to the library  
And I saw him

I said, "Oh yeah, oh yeah  
I want that man"

He stole my heart  
And he killed me softly  
He stole my heart  
And he killed me softly

She said, "Oh, if he's stealing and killing  
Then he must be a black man"

He my wonderful order  
He my piece of cake  
My personal  
President of the United States

Hey, baby  
Hey, daddy  
Hey, sugar

You sure are a looker  
In your, bling, bling chain  
And your Gucci shades  
You got the custom made bow

I think I'm coming over  
Saying, "Oh yeah, oh yeah  
I want that man"

I'm gonna say it, love  
I'm gonna say it, love  
I was so happy 'bout the love I found  
See, I went to the museum

And I saw him

Oh yeah, oh yeah  
I want that man

He wrote me poetry  
And bought me a car  
He wrote me poetry  
And bought me a car

She said, "Oh, if he wrote you poetry  
And bought you a car  
He must be a nice man"

He my brand new Mercedes  
He my piece of pie  
He my very own personal  
Jesus Christ

Hey, baby  
Hey, daddy  
Hey, sugar

You sure are a looker  
In your, bling, bling chain  
And your Gucci shades  
You got the custom made lover

I think I'm coming over  
Saying, "Oh yeah, oh yeah  
I want that man"

Hey, baby, baby  
I've been looking all over the world  
You be my man, I will be your girl  
I think together we can go real far  
Specially if we had a jet, private  
You can get it, you bet it

Hey, baby, baby  
I've been looking all over the world  
You be my man, I will be your girl

Extraordinary  
That man  
I wanna marry  
That man

Hey, daddy  
Hey, sugar

Yeah, you sure are a looker  
When I look at you  
All I have to say is  
That man
